WARM UP QUESTION: How did you respond when your plans did not go the way you expected?

READ: Luke 24: 13-17, 31

FOCUS: The risen Christ invites us to walk with Him—out of confusion and into clarity—as He reveals truth along the way.

OBSERVE:

- When things are not going the way we planned or expected, we need to embrace God's Word and His presence to experience healing and clarity.
- The Lord is always ready to meet us in our pain and disappointment, but the confusion we experience can lead us to want to become isolated from God and other believers.
- We need to embrace time with God in prayer and worship, and be open to hearing from him from his Word. We will find clarity for confusion and healing for our pain.

DISCUSS:

- What stood out to you, or what did the Holy Spirit bring to your attention?
- When you reflect on times you have felt confused in your spiritual walk, what life experiences, memories, thoughts, or emotions does this bring up for you?
- How do you react to the things in your life that are not going the way you planned?
- Have there been times when you were walking in the wrong direction and it took you some time to figure it out and turn around?

TAKE ACTION:

- Allow Jesus to bring you to the realization that he has an answer to every question and solution to every challenge.
- Make time to spend in God's presence; embrace his Word to be able to find the answers you seek and clarity you need, both alone and with other Christ followers.

PRAY: Thank you, Jesus because there is no mountain too high that you cannot climb nor valley too deep for you to make level. In you we have peace, joy, and soundness of mind. Help us to run to you with our problems and pain, as we do this we ask for healing and a renewal of our minds. In Jesus' name we pray, Amen!
