WARM UP QUESTION: Have you ever planted a seed and waited patiently for it to grow? How did you feel when you saw the first bud of life?

READ: Acts 16:6-10

FOCUS: We are sent by God to plant churches to reach those who haven't heard the Gospel.

OBSERVE:

- God inhabits the praise of His people and is present when we gather in His name. Once God appears, He transforms lives.
- God has a specific purpose when He sends us. In Acts 16, we see that the Holy Spirit prevented Paul and his companions from going to Asia and Bithynia, giving them clear direction to go to Macedonia.
- Whatever labor we may perform in planting churches, it is God who will eventually bring about the harvest and transformation through His divine power. When we are sent to share the truth of the Good News, we are given grace to complete that mission.

DISCUSS:

- What stood out to you, or what did the Holy Spirit bring to your attention?
- Do you recall any stories others have brought back from being sent? What did they learn?
- Do you sense the Holy Spirit speaking to you about where you might be sent? To your neighbors? To help others who are in need? To people who are different from you?

TAKE ACTION:

- Decide today to listen carefully to the Holy Spirit. Allow Him to guide you like Paul and Silas. Rest assured knowing that He will give you what you need, to do what He has sent you to do.
- Share in your group ways that God is sending you to bring His good news to others.

PRAY: *Lord, I thank You for the good news of the Gospel, that Jesus died to save the lost. Thank You for saving me and making me free. Help me to share this truth with others. In Jesus' Name, Amen!*
