WARM UP QUESTION: Have you ever found yourself in a situation where you discovered you had a skill or a tool that someone needed? What did you do?

READ: Acts 28:7–10

FOCUS: God sends us on His mission with His power to meet the needs of our communities.

OBSERVE:

- God sends us on His mission, which includes telling others about Jesus and loving others through our actions the way Jesus loves.
- God sends us into our communities with power to be a witness to Christ through signs and wonders. These include the fruits of the Holy Spirit (Gal 5:22-25), the gifts of the Holy Spirit (Ro 12:6-8; 1 Co 12:4-11) and the power to live peaceful lives with enemies and outsiders (Ro 12:9-21; 1 Thess 4:11-12).
- God sends us on His mission with His power to meet the needs of our communities.

DISCUSS:

- What stood out to you, or what did the Holy Spirit bring to your attention?
- Consider the community where God has placed you. What are some of the needs that you see in that community, and how do you feel God leading you to meet them?

TAKE ACTION:

- Consider the needs of your community and make a list of suggestions for how your LIFEGroup can meet those needs.
- If there is no LIFEGroup in your community, consider starting one!

PRAY: *Father, thank You for inviting us into Your mission and empowering us to meet the needs of our communities. Please give us eyes to see the needs of others in our community and embolden us to share Your truth. In Jesus' Name, Amen!*
