WARM UP QUESTION: What rituals do you or your families have that make life comfortable or fun? How did they start?

READ: Hebrews 13:10-15

FOCUS: We endure in faith, together.

OBSERVE:

- Hebrews exhorts us to leave confidence in temple worship with its covenant-backed rules and procedures and join Jesus outside the camp in a posture of willingness to suffer as he did.
- By risking the symbolic safety of Jerusalem: temple-centered worship, covenant identity, and social respectability, and identifying with a humiliated, crucified man, we come under a new covenant, sealed with Christ's blood.
- This new covenant promises everlasting citizenship in the heavenly city which is to come.

DISCUSS:

- What stood out to you, or what did the Holy Spirit bring to your attention?
- Have you encountered humiliation or loss because of your faith?
- What does "continuously offer up a sacrifice of praise" mean to you? How do you accomplish that in your life?

TAKE ACTION:

- Has following rituals for forgiveness of sin been part of your faith walk in the past? How has your approach to right standing with God changed over time? What led you to change?
- Do you think offering a sacrifice of praise is a means to right-standing with God? Why or why not?

PRAY: *Lord Jesus, thank you for enduring rejection, suffering, and separation from God on our behalf. Thank you for buying our redemption. Holy Spirit, remind us continually to offer up a true sacrifice of praise. In Jesus' name, we pray. Amen!*
