WARM UP QUESTION: Have you been a part of starting something new? How did it feel, and what lessons did you learn from this?

READ: John 20:21

FOCUS: Jesus was sent—so we are sent, and we send others.

OBSERVE:

- God sent Jesus, and due to His love for the Father and our world, Jesus came down on a mission to be our antidote to sin that separates us from the Father.
- Because of the grace we are given, Jesus sends us on a mission to share the truth of the Good News.

DISCUSS:

- What stood out to you or what did the Holy Spirit bring to your attention?
- Have you heard about or participated in sending others out to serve God? Have you responded to Christ's command to go?
- How do you sense the Holy Spirit is guiding you to respond to Jesus' mission?

TAKE ACTION:

- Do you feel equipped to explain the Good News? Download the One2One app and have someone lead you through it. Among your group, ensure that everyone has been through it so you are each ready to share when God sends you.
- Identify ways Jesus is sending each of you, and all of you together. Will you invite neighbors to visit the group? Will you raise support for a campus minister? Will you join the next group King's Park sends out domestically or to a foreign country?
- Choose people King's Park has sent out, or others supported by Jordan Lewis Missions, and agree to support them financially and pray for each of them on a regular basis.

PRAY: Heavenly Father, help each of us to understand how we fit into Your mission to the lost. Lord Jesus, deepen our understanding of how answering Your Father's call purchased our freedom from sin. Holy Spirit, empower us to be the witnesses You want us to be to those near and far. Help us with our reluctance wherever the Father calls us to go. Teach us to listen to You and feel Your nudge to be sent. In Jesus' Name, Amen!
