WARM UP QUESTION: What do you do with damaged items?

READ: Leviticus 1:1 (NIV)

FOCUS: God has made a way for us to have a restored relationship with him.

OBSERVE:

- The book of Leviticus is a very important book for Christians to read, grasp, and follow. This book provides light and gives clarity about how to connect with God relationally. It leads to giving answers to how to relate to God in a right manner.
- God heard the cry of the Israelites and delivered them from Egyptian bondage. He provided purpose, protection, love and his presence to them.

DISCUSS:

- What did the Holy Spirit bring to your attention as you listened to the sermon and/or studied this sermon discussion guide?
- What is the motivating factor behind our misdeeds and how does your answer relate to disobeying God?
- Have you ever found yourself on the outside of an important relationship because you messed up? If yes, what happened and what did you do, if anything, to resolve the matter?

TAKE ACTION:

- Help strengthen relationships in your family and community by praying for others. Help restore relationships and connections where possible.
- Join a Life Group or find a deliberate way to share the truth that God is Holy and our motivations must be pure when we worship him. Let people know we can recover from adulterous idolatry when we follow his instructions. God will not share his glory with another.

PRAY: *Lord, we thank you for forgiving us of our every sin. Help us as we turn away from all disobedience and live as you are our One and only true God. Thank you for being our guilt and sin offering. In Jesus' name we pray, amen!*
