

EVERY DAY

10/04/2026 | Pastor Bomi Roberson

WARM UP QUESTION: What do you think about the expression “practice what you preach?”

READ: Colossians 4:5-6; James 1:22

FOCUS: The Word of God transforms and shapes our everyday lives.

OBSERVE:

- God’s Word is the foundation on which our lives are built. We must be hearers and doers of the Word so we may make a difference locally and globally.
- We must allow the entrance of the Word to shape us, impact us, and mold us so it may be evident in our everyday lives and to serve as a witness to others.

DISCUSS:

- What did the Holy Spirit bring to your attention as you listened to the sermon and/or you discussed this study guide? Are you willing to share your thoughts with others?
- How do you apply the Scriptures to your everyday lives and conversations, service, and outreach?
- Hearing the Word of God and speaking it renews our mind as we obey it. Is God calling you to surrender any area of your life to him so your life will be aligned to his truth?

TAKE ACTION:

- Help others by intentionally engaging and sharing the wisdom that comes from God’s Word to them.
- Connect to a life group or Bible study group.
- Get involved with a segment of the Discipleship Path that would promote others to believe and to speak the written Word of God in their conversations.

PRAY: *Heavenly Father, thank you for your Word that you have placed in our mouths and hearts. We confess that you are Savior and Lord. Give us the courage to obey and share your Word with others. Help us to do what your Word says consistently. In Jesus’ name we pray, amen.*
