WARM UP QUESTION: *What would you like to have the power to do?*

READ: Romans 6:15-23 (ESV)

FOCUS: *The grace of God has transformed us into slaves of righteousness, that we may bear its fruit as we continue to know our God.*

OBSERVE:

- Union with Christ produces a life of freedom not dominated by the power of sin.
- The grace of God does not give us permission to continue to sin. We will face spiritual consequences if we continue to walk in darkness.

DISCUSS:

1. What in this message stood out to you concerning choosing to walk as slaves of righteousness rather than walk as slaves to sin and unrighteousness?
2. Do you believe it is difficult to obey God and His word? If so, why?
3. What is spiritual accountability? Should your life align with your spiritual beliefs? Do you believe God's word really has the power to transform you? How does that happen?

TAKE ACTION:

- As you listened to the sermon and as you studied this discussion guide, did you have a greater desire to walk in the freedom God has given you? If yes, how will you do it?
- What do you believe living as a slave to righteousness means? How is your life affected?
- What will you do to cooperate with God in the process of being sanctified?

PRAY: *Holy Father, thank You for taking our sins and giving us Your righteousness in exchange. Thank You for setting us free from sin and its grip on our lives. Thank You for giving us the free gift of eternal life in Christ Jesus , our Lord, and giving us the power to live as slaves of righteousness. In Jesus' name, we pray, Amen.*
