WARM UP QUESTION: What is the most amazing birthday present you ever received? How did it make you feel?

READ: Hebrews 6:1-3

FOCUS: We are saved by grace alone, through faith alone, in Christ alone!

OBSERVE:

- Repentance involves an internal change that leads to a change in the way you live. You realize that you've been going the wrong way.
- We especially need to repent from "dead works," useless, ineffective, lifeless things we do that have no power to save us or make us right with God. The deeper problem is that sin has infected and corrupted our very nature. It breaks our relationship with God.
- The consequences of sin are distress, dysfunction, disorder, disease, death, and distance from our Heavenly Father.
- God loved us so much that he sent his son, Jesus Christ, to die the death we deserved in our place, freeing us from sin's power over our lives.

DISCUSS:

- What stood out to you, or what did the Holy Spirit bring to your attention?
- Have you been trying to live life on your own terms? Have you been struggling to please God by your own power and good works?
- Is God letting you know that he is more interested in your heart than your human effort?

TAKE ACTION:

- Today make every effort to completely surrender your hearts and lives to the one who gave his all for us. Let go of anything we are holding back from God, knowing we are saved by God's grace alone!

PRAY: *Lord Jesus, thank you for dying on the cross to save our souls, even though we did not deserve it. We come to you today just as we are without any pretense. If we have sinned or held back in any way, please forgive us. Help us to be fully surrendered and completely embracing your Grace today. In Jesus' name, we pray. Amen!*
