

EVERY DAY

09/06/2026 | David Liauw

WARM UP QUESTION: Is there someone you would listen to all day long?

READ: Psalm 119:9-16

FOCUS: Why should you study the Bible?

OBSERVE:

- We study the Bible to know Jesus and to love him more. As the Spirit of Truth comes, he reveals himself to us.
- God has revealed himself to everyone who reads, believes, and studies his Word. We should trust his word. Reading the Bible should be as if we are hearing from God himself. The word must be embraced and lived out.

DISCUSS:

- What did the Holy Spirit bring to your attention as you listened to the sermon and/or you discussed this study guide? Are you willing to share your thoughts with others?
- Why should we delight in God's statutes? What should be our motivation to study the Bible?
- What happens as we apply the written word to our lives?

TAKE ACTION:

- Help other to know God and growth together by sharing the Bible with them in life groups and by taking them through the One2One.
- Take your next step on the Discipleship Path.
- Take the Lord at his word and confess it with your mouth. Spend time in prayer and meditate in the word of God. Learn to recognize his voice. The Lord will lead you through the word with his still, small voice.

PRAY: *Heavenly father, thank you for your word that you have placed in our mouths and hearts. We confess that you are savior and Lord. Help us to believe and have confidence in your written word which enables us to know you more. In Jesus' name we pray, amen.*
