WARM UP QUESTION: *What is the best thing you have ever experienced?*

READ: Romans 5:1-5 (ESV)

FOCUS: *The new life in Christ is a life in His love.*

OBSERVE:

- There is a much deeper and better reason to follow Christ than fear - and that's love.
- We have peace with God accessed by faith and the ability to glory in our suffering. God's love produces joy and a new life in Christ. We stand in God's love by receiving it by faith and we can rejoice in it. We can experience joy even in tribulation.

DISCUSS:

1. What in this message stood out to you concerning obtaining a new life in Christ?
2. Do you believe all of mankind deserves God's wrath? If you do or do not, why?
3. How does knowing that God has clothed you with His righteousness cause you to respond?

TAKE ACTION:

- As you listened to the sermon and as you studied this discussion guide, did you realize the love of God gives you a joy that isn't tied to your circumstances? What will you do with that good news?
- Why did Christ die in your place? Why did Jesus take upon Himself the punishment for humanity's sins?
- How does knowing the Prince of Peace lives in you cause you to respond?

PRAY: *Holy Father, thank You for taking our sins and giving us Your righteousness in exchange. Thank You for making us right with The Father. In Jesus' name, we pray, Amen.*
