FAQS

Should follow-up begin only after someone has received Christ as Lord and Savior?

- One2One is designed to be used with anyone who is open to ministry, no matter if they have prayed to receive Christ or not. If someone is open to the gospel and is willing to meet with you, then start with the first chapter, "A New Start: Salvation" and continue chapter by chapter as long as they will meet with you.
- If someone has just prayed the sinner's prayer in the service or in an evangelistic event, you can share "Getting Started."

Who is qualified to do personal follow-up?

- Every Christian should be involved in personal evangelism, follow-up and discipleship. As soon as a new Christian has been through One2One booklet, s/he should be able to share it with others.

How often should I meet with the person I'm following up or discipling?

- One2One can be used seven days in a row or one lesson each week for seven weeks. It all depends on your schedule and the availability of the new disciple. The first follow-up meeting should be as soon as possible after a person surrenders his/her life to Christ. We should follow up with the new believer before the devil tries to steal the Word that was sown in his/her heart (Mark 4:15).

Does personal follow-up and discipleship always have to be one-on-one?

- No. Personal follow-up and discipleship can be effectively done in small groups, but it must be personal. You can even have another disciple that you are training observe and assist you as you follow up with a new believer. The relationship that is being built is as important as the material being covered.

Should I go over the "Personal Application" section each time?

- Absolutely. While it may only take fifteen minutes to read through the chapter and make a few comments, the application questions may take from five to fifteen minutes. This is where you can evaluate the progress of your disciples and offer specific and practical help where they need it most.

Is this the only way we disciple others?

- The One2One is just one of the discipleship tools that we use in our discipleship path. It is not meant to be the only way to disciple others. It is meant to be a discipleship tool to begin the discipleship process, however, discipleship does not end when the One2One is finished.

Which version of the One2One app should I use?

- We use the ESV version because it has seven sessions that end with the topic discipleship and corresponds with our children's seven sessions for the One2One as well.

THE DISCIPLESHIP PATH

At King's Park, we want you to experience what it means to **KNOW GOD, GROW TOGETHER, DISCOVER PURPOSE** and **MAKE A DIFFERENCE**. This discipleship path is designed to help individuals and families grow spiritually in these areas at any stage of their walk with God. Come join us on this journey!

KNOW GOD

At King's Park, we want you to know God through our **SUNDAY SERVICES** and through **LIFE GROUPS**. We believe engaging people to know God and make Him known is the heart of mission.

A **LIFE GROUP** is a small group of people that meets for the purpose of helping you grow in your relationship with God and with others.

The **ONE2ONE** guide is a tool designed to help you follow God. It contains basic Bible lessons shared one-on-one for personal application.

GROW TOGETHER

We also want you to get established in a relationship with Christ and with other believers so that we may all grow together. We invite you to attend **GROWTH TRACK**, a four-step class where we explain our mission and vision and help you find your place in it. Growing together also happens in **LIFE GROUPS** and in more personal settings using **ONE2ONE**.

DISCOVER PURPOSE

We equip people to discover purpose through Growth Track, Life Groups and the **GO TEAM**. As you serve on the Go Team, you will be able to know and use your spiritual gifts, which will help you understand God's purpose for your life. We also want to encourage you to participate in our upcoming **DISCIPLESHIP CLASSES** and **EQUIP**.

DISCIPLESHIP CLASSES cover the following topics: Biblical foundations, spiritual gifts, freedom, loving well in a diverse community and financial stewardship.

EQUIP is a free program designed to train you in understanding and applying the Bible for your life and in ministry to others.

LEADERSHIP 215 is a free program designed to help you grow in maturity in Christ and deepen your theological foundations so that you can be more impactful in your workplace and ministry.

MAKE A DIFFERENCE

As you are knowing God, growing together and discovering purpose, we also want you to be empowered to make a difference. Join us in serving people through **COMMUNITY OUTREACH**, in being trained as leaders through **LEADERSHIP 215** and in living lives that declare and demonstrate the good news of Jesus Christ!
