

THE POWER OF GOD

03/02/2025 | Pastor Reggie Roberson

WARM UP QUESTION: Why do you need to know the rules of a game before playing?

READ: Romans 2:13-16

FOCUS: Laws exist to restrain wrongdoing, but they can't change the human heart. Society would be chaotic without God's law. God's law reveals just how good the Gospel is for everyone.

OBSERVE:

- The law reveals the holiness of God and shows us how to relate to Him.
- God's law is without error and perfectly moral. It brings order while preserving humanity and setting the standards of love, goodness and morality.

DISCUSS:

- What in this sermon stood out to you or what did the Holy Spirit bring to your attention concerning you and the law of God?
- At what moment in your life has following God's sense of morality saved your life or saved you from severe judgement or a bad experience?
- What do you do when you realize you are not being obedient to God and are walking "out of step" with God's will?

TAKE ACTION:

- Why do you adopt the Holy Bible as the source of God's guidance and truth?
- What are your spiritual gifts and how could you use them to make an impact or encourage others to walk in agreement to God's truth?
- How and why do you believe God speaks to you and others?

PRAY: *Holy Father, help us to not be hearers only of Your truth, but to also obey what we hear. Enable us to cultivate a heart that willingly obeys You. We ask these petitions in Jesus' name, Amen.*
